

WARRANTY POLICY

PORSCHE

Chassis Serial No.: 220122

Engine Serial No.: P813014

The PORSCHE KG. warrants, on the basis of the warranty terms laid down in the annex to this Service Booklet, the above cited car to be free of defects in material and workmanship. The warranty becomes effective on the date of delivery of the car to the first owner, i. e.

on March 11 1965
(to be filled in by dealer)

The warranty expires six months after the above date or when the car has been driven 6,000 miles (10,000 kilometers).

Should you feel that you have a valid warranty claim, having taken good care of the car and always accomplished the prescribed inspections and maintenance work, please consult your Porsche dealer presenting to him this Warranty Policy.
